

PAM QuickStart Assessment & Roadmap

Executive-Level Privileged Access Snapshot & 12-18 Month Roadmap

A rapid, time-boxed assessment providing executive clarity on your Privileged Access Management posture, key risks, and a pragmatic roadmap forward. Designed for enterprise organizations seeking structured direction before committing to major PAM investment.

WHAT WE DO

Time-Boxed Engagement (2-3 weeks)

- 2-4 hours focused stakeholder workshops
- High-level documentation review
- Rapid maturity evaluation across core PAM domains
- Internal analysis & roadmap development

Domains Covered

- Privileged account inventory & discovery
- Vaulting & credential management
- Session management & monitoring
- Endpoint privilege management
- NHI management
- Governance & operating model
- Cloud & modern infrastructure privilege

WHAT YOU RECEIVE

- PAM maturity snapshot
- Top risk & control gaps
- Prioritized quick wins
- Target state vision (high-level)
- 12-18 month PAM roadmap
- Executive readout session

WHAT THIS IS NOT

- Not a detailed technical config review
- No deep architecture design
- Not a replacement for a full enterprise assessment

WHY IT MATTERS

1

Rapid clarity without major investment

2

Aligns PAM initiatives to risk reduction

3

Identifies sequencing issues early

4

Provides foundation for funded program mobilization
